RE: Your Inspection of Public Records Complaint

Dear Ms. Peron:

On December 16, 2015, the New Mexico Office of the Attorney General (OAG) received your complaint alleging that the New Mexico Spaceport Authority violated the Inspection of Public Records Act ("IPRA"), NMSA 1978, Sections 14-2-1 to -12 (2011). As confirmed in our telephone conversation on January 25, 2016, the New Mexico Spaceport Authority has provided you the requested records at issue in your December 16, 2015, IPRA Complaint. As such, we consider this matter closed. If you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in black ink that reads "Dylan K. Lange".

Subject: Fwd: IPRA - Meeting Minutes

Dear Ms. Roller,

I have been waiting since mid-October to receive the "Draft Minutes" of the New Mexico Spaceport Authority Board Meeting of September 16, 2015.

Please consider this a formal complaint about my October 16, 2015 IPRA NOT being answered by the keeper of the NMSA records, Ryan Noble, Esq.

I hope this problem can be resolved as soon as possible.

Please acknowledge receipt of this e-mail.

Thank-you for your attention to this matter,

Sophia Peron

Re: Open Meetings Act, Sec. G. **Minutes**

"Draft minutes shall be prepared within ten working days after the meeting...."

Hence they are now a public record and must be made available....

NMSA has provided such draft minutes under IPPRA in the past.

Ms. Peron,

The draft minutes of the Authority Board meeting of September 16th, 2015, are not inspectable at this time because they have not been voted on and officially approved by the Authority Board. When we have a record of the official minutes of that board meeting I will provide you a copy.
